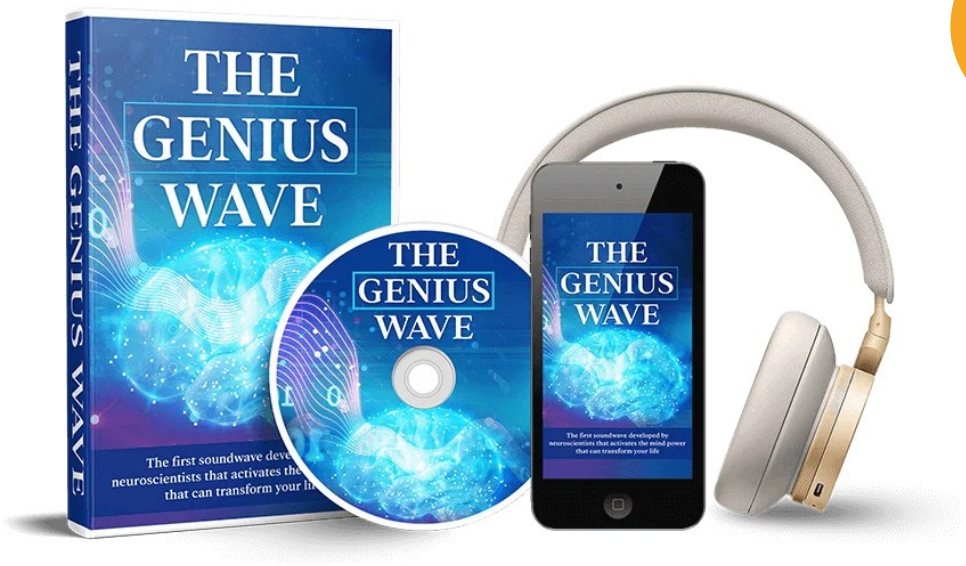
The Genius Wave

Full review summary & buyer guide

$39 one-time | 7 min / day | 60-day refund | Instant access | 3 free bonuses

9.3
OUR SCORE



Quick verdict

The Genius Wave is an easy, low-cost way to build a calm 7-minute daily listening habit. You pay once, keep it for life and have 60 days to ask for your money back. Go in for relaxation, focus and a clear head, not for the big "superbrain" promises in the sales video.

Seller & order facts

PRODUCT The Genius Wave (digital audio)	**SELLER** TheGeniusWave.com, Delaware, USA
CHECKOUT Digistore24 secure checkout	**SUPPORT** support@thegeniuswave.com
ALSO Info@BinauralTechnologies.com	**DELIVERY** Instant online access, nothing shipped

What you get for $39

MAIN PRODUCT

The 7-minute Genius Wave audio

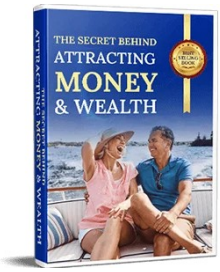
A short brainwave-entrainment track designed to guide you toward the relaxed theta state. Headphones on, listen once a day. No meditation skills needed.

ACCESS

Private audio portal, for life

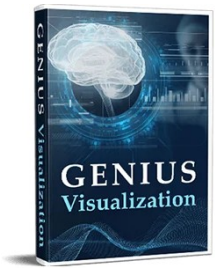
Login by email right after checkout. Stream or download on phone, tablet or computer. One-time purchase, no subscription.

Free bonuses included



BONUS 1

Classic book on attracting wealth



BONUS 2

Genius Visualization audio

BONUS 3

"Create Your Ideal Future" infographic

What we like

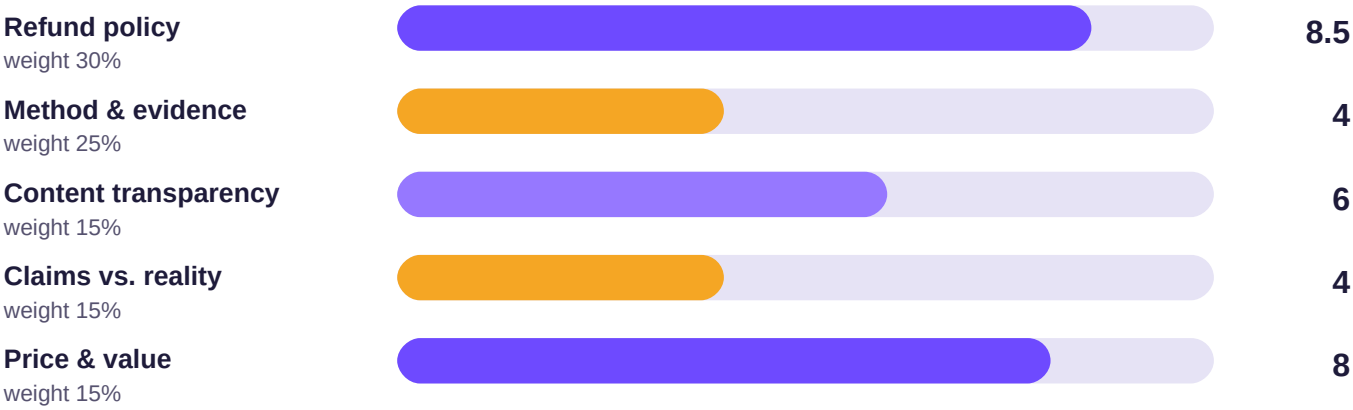
- Low one-time price: $39, no subscription to keep access
- 60-day money-back guarantee, written in the seller's terms
- Only 7 minutes a day: much easier than 20-40 min meditation
- Instant digital access from any device
- Three useful bonuses included
- Very easy to use: headphones and a quiet spot

Good to know before you buy

- The video uses big claims (luck, "superbrain", NASA). Judge it as a relaxation and focus tool.
- "Dr. James Rivers" is a pen name, as the seller's own disclaimer says.
- Results are personal and gradual: plan on two to three weeks of daily listening.
- Optional extra offers may appear after checkout. You can skip them and keep the main audio.
- Use headphones at a comfortable volume. Never listen while driving.

Our score: 9.3 / 10

Scored with GrowthPickr's published method, the same for every program (growthpickr.com/how-we-review/).



9.3

Weighted base score 6.3 plus three bonus points: instant digital access (+1), free bonus gifts (+1) and lifetime access (+1).

Sales claims vs. what to expect

In the sales video	What you can realistically expect
Works "the first time you listen"	Many feel calmer after a session; lasting habits take a couple of weeks.
Activates a "dormant genius" brainwave	Theta is a normal deep-relaxation state; the track helps you relax into it.
Luck, money and relationships improve	A calmer, clearer mind can help you act better, but no audio can promise outcomes.
Backed by NASA research	The NASA study cited is about creativity tests in children, not this audio.
60-day money-back guarantee	Confirmed: the seller's terms allow refunds requested within 60 days.

Research in plain words

Brainwaves are the electrical rhythms of the brain. Theta (about 4-8 Hz) appears in deep relaxation and just before sleep. Brainwave entrainment uses repeating sound patterns to nudge the brain toward a matching rhythm. Studies on rhythmic audio and binaural beats show small, mixed effects on relaxation, mood and attention: a sensible daily relaxation habit, not a guaranteed brain upgrade.

How to order safely

1. **Use the official page only**
   Order via the official Genius Wave page; payment always runs through Digistore24 (digistore24.com or checkout-ds24.com).
2. **Check the cart**
   It should read "The Genius Wave (60-Day 100% Money Back Guarantee)", $39, digital product.
3. **Skip extras you don't want**
   Optional offers may appear after checkout. Declining them does not affect your main audio.
4. **Keep your receipt email**
   It contains your Digistore24 order ID, needed for support or a refund.

Set up & daily routine

1. **Open your login email**
   Login details for the audio portal arrive within minutes. Check your spam folder if needed.
2. **Bookmark the portal**
   Save it on your phone; download the track too if offered, for offline listening.
3. **Same time every day**
   Morning or evening wind-down. Headphones on, comfortable volume, 7 minutes.

How to get a refund (within 60 days)

1. Email the seller first
support@thegeniuswave.com or Info@BinauralTechnologies.com with your name, order email and Digistore24 order ID.

2. Backup: Digistore24 order support
Use the support link in your Digistore24 receipt email. Requests after day 60 are not accepted.
