Good to know before you buy

- The sales page uses strong urgency (countdown timer, live visitor count). Take your time; the price has been steady.
- Claims of attracting money "fast" are marketing. Use it as a mindset ritual.
- An extra track, "Alignment Code", is offered at checkout for $37 more. It is optional.
- Support runs through a contact form at astralhq.com/support-center rather than a public email.
- Not financial advice. For money decisions, talk to a qualified adviser.

Sales claims vs. what to expect

In the sales video	What you can realistically expect
A 7-second Egyptian sound trick attracts money fast	A daily audio ritual can lift your mood and keep your goals in mind. Money still comes from actions and time.
Offer expires in minutes; many people on the page	Typical urgency wording. The $47 price has been steady at checkout.
$888+ total value	The extras add variety, but "value" figures are set by the seller.
4.9/5 from 17,847+ customers	We could not verify this rating independently.
Money-back guarantee, no questions asked	Confirmed: 60 days on the order page, and AstralHQ's refund policy page states 90 days.

Research in plain words

Manifestation programs teach habits such as setting clear goals, visualising outcomes and practising gratitude. Research supports these habits for motivation and wellbeing. There is no scientific evidence that sound tracks change a person's "vibration" or attract money directly. Used as a daily ritual to stay focused on your goals, the tracks can still be a positive habit.
